To Whom It May Concern, *Scott Thompson + friends,*

Thank you, Thank you, Thank you!!!!

In many ways, because of the coronavirus pandemic, last year felt like it contained multiple years in one. It has wreaked havoc for those in the community who are most vulnerable ~ those already experiencing a mental illness.

During this time when it has seemed like we can take nothing for granted, when all our plans have been forced to change from week to week and month to month, one thing that we have been able to count on has been the faithful generosity of people like you. Thanks to ongoing support, somehow, amid all that disruption, we were able to continue to serve our members (clients) without missing a beat, and keep our members safe.

Despite COVID, each day at Sanctuary House members and staff work together in a supportive, engaging, and inspiring environment to learn new skills, gain a greater sense of independence and pride, and prepare for a purposeful, rewarding life. The joy is palpable when we watch someone move beyond their diagnosis of a mental illness and realize their potential. YOU make that happen!

Please know that your recent gift of **\$2,000.00**, received on **04/29/2022** by **Check** will continue to make it possible for Sanctuary House to provide the highest quality services and opportunities to its members.

Keep this letter with your tax records. To satisfy IRS regulations, it is duly noted that Sanctuary House provided no goods or services to you in exchange for your gift.

On behalf of the members, staff and Board of Directors of Sanctuary House, please accept our warmest thanks.

With Gratitude,

*Jodi*
